

Club Organization

The Fraserview Tuesday Women's Club is led by an Executive Committee, nominated by the membership. The executive team includes the Chair, Vice Chair, Member at Large, Treasurer, and Secretary. Supporting the club's operations are several committees, each overseen by a dedicated chair. These include the Match Committee, Handicap Committee, Draw Committee, Rules Committee, Membership Committee, and Social Committee. Additionally, appointed positions include Captains for Teams 1, 2, and 3. All Executives and Committee members serve on a voluntary basis and are formally nominated during our Annual General Meeting each year.

Our club maintains an annual membership of approximately 85 individuals. We host and manage our primary golf events from April through October, ensuring a dynamic and competitive season. Additionally, we offer a winter schedule to provide a year-round golfing experience. Whether you are a high-handicap player or a scratch golfer, our events are thoughtfully designed to accommodate all skill levels, fostering an inclusive and engaging environment for all members.
